#### Discussion Questions:

**By what things have you identified yourself in the past and how would you like to be identified now? What issues, hurts, or accomplishments have you allowed to define you as a person of God?**

Which definition and aspect of redemption do you most relate, and how has your life reflected God's redemptive work. If you struggle to come up with an example, express where you'd like to see God's redemptive work have an impact on you.

**Reflect on the idea of renewal in light of Christ's grace. Where have you seen your life renewed due to your faith and relationship with Christ?**

When you think about "living in Christ" in the four areas of: reflecting His grace, forgiveness, repentance, and loving others – where do you thrive and where do you struggle?

**What issues and items can you pray for in your group that would help others in their Christian walk based on what you have heard?**

#### HELPFUL TIPS for

#### Great Table Discussions

Each table should have a designated

Table Host.

**1. Use God's ear-to-mouth ratio:**

Listen two times more than you speak. 1 or 2 people should not dominate the time, and EVERYONE should contribute during the discussion.

**2. Smile and be friendly.**

Avoid excessive complaining about people or personal problems.

**3. God's grace rules the day**

Recognize that everyone will not always agree – be gracious and give grace to one another. People are at different places in their spiritual walk and in their life journey.

**4. Moving the discussion along.**

Table host/facilitators are to move the discussion along. They have permission to limit any negative comments, to invite people to answer a question, to ask someone for their perspective, to limit the amount of time some people speak, and to move on to the next question.

**5. Help for the hurting:**

This is a supportive group, but it is not a support group or a therapy session. But if someone is really hurting, take a moment and have someone in the group specifically pray for them.
