Discussion Questions:

1. Tell of a time that you can look back on and say "What was I thinking?" What have you learned from this and how have you changed since then?
2. **Can you see how the Devil has impacted your thinking as well as people around you? Or do you think it's an excuse?**
3. Can you see how this affects your relationships?
4. **Have you been affected by people talking poorly about something you are a part of? How did that make you feel? How did it impact others?**
5. How has this lesson challenged you tonight?

HELPFUL TIPS for Great Table Discussions

Each table should have a designated Table Host.

Use God's ear-to-mouth ratio:

Listen two times more than you speak. 1 or 2 people should not dominate the time, and EVERYONE should contribute during the discussion.

1. **Smile and be friendly.**
Avoid excessive complaining about people or personal problems.
2. **God's grace rules the day**
Recognize that everyone will not always agree – be gracious and give grace to one another. People are at different places in their spiritual walk and in their life journey.
3. **Moving the discussion along.**
Table host/facilitators are to move the discussion along. They have permission to limit any negative comments, to invite people to answer a question, to ask someone for their perspective, to limit the amount of time some people speak, and to move on to the next question.
4. **Help for the hurting:**
This is a supportive group, but it is not a support group or a therapy session. But if someone is really hurting, take a moment and have someone in the group specifically pray for them.
