HELPFUL TIPS for Great Table Discussions

Each table should have a designated Table Host.

Use God's ear-to-mouth ratio:

Listen two times more than you speak. 1 or 2 people should not dominate the time, and EVERYONE should contribute during the discussion.

1. Smile and be friendly.

Avoid excessive complaining about people or personal problems.

2. God's grace rules the day

Recognize that everyone will not always agree – be gracious and give grace to one another. People are at different places in their spiritual walk and in their life journey.

3. Moving the discussion along.

Table host/facilitators are to move the discussion along. They have permission to limit any negative comments, to invite people to answer a question, to ask someone for their perspective, to limit the amount of time some people speak, and to move on to the next question.

4. Help for the hurting:

This is a supportive group, but it is not a support group or a therapy session. But if someone is really hurting, take a moment and have someone in the group specifically pray for them.
