### Discussion Questions

#### True Identity

- Where do I fully live in the truth of who I am in Christ?
- What do I need to do to start appropriating all that the Word says about me?

#### Spiritual Warfare

- What has been my belief about how Satan is, or is not, a factor in my life, especially in regards to keeping me from my truth?
- What changes, if any, do I see that I need to make going forward?

#### Relationship/Marriage

- What can I do differently in my current/next relationship to prepare for a Godly marriage?
- How does the statement that “marriage is not about your spouse but about your relationship with God” change your views on marriage?

### HELPFUL TIPS for Great Table Discussions

**Each table should have a designated Table Host.**

#### **Use God's ear-to-mouth ratio:**

Listen two times more than you speak. 1 or 2 people should not dominate the time, and EVERYONE should contribute during the discussion.

#### **1. Smile and be friendly.**

Avoid excessive complaining about people or personal problems.

#### **2. God's grace rules the day**

Recognize that everyone will not always agree – be gracious and give grace to one another. People are at different places in their spiritual walk and in their life journey.

#### **3. Moving the discussion along.**

Table host/facilitators are to move the discussion along. They have permission to limit any negative comments, to invite people to answer a question, to ask someone for their perspective, to limit the amount of time some people speak, and to move on to the next question.

#### **4. Help for the hurting:**

This is a supportive group, but it is not a support group or a therapy session. But if someone is really hurting, take a moment and have someone in the group specifically pray for them.
