Luke 12:16-21

16 And he told them this parable: "The ground of a certain rich man yielded an abundant harvest. 17 He thought to himself, 'What shall I do? I have no place to store my crops.' 18 "Then he said, 'This is what I'll do. I will tear down my barns and build bigger ones, and there I will store my surplus grain. 19 And I'll say to myself, "You have plenty of grain laid up for many years. Take life easy; eat, drink and be merry." ' 20 "But God said to him, 'You fool! This very night your life will be demanded from you. Then who will get what you have prepared for yourself?' 21 "This is how it will be with whoever stores up things for themselves but is not rich toward God."

Questions For The Heart

1) Would someone be attracted to our group if they were subjected to hearing culturally irrelevant music and a message that was far above their head, or didn't apply to their daily needs. Would they be likely to come back?

2) If a spiritual seeker came to our group and was exposed to many people speaking in tongues and prophesying would they be intrigued by what they heard or would they think, as Paul wrote addressing the same issue, that "you are out of your mind" and not return? (1 Cor.14:23)

3) Is the main point of the public service on Sundays to minister to the Christian or is it to reach out to the lost? If the main point of the Sunday Service is to minister to the Christian, then how does the corporate Church reach out to the lost? How does this affect us in this group?

4) Is the Holy Spirit sending Singles or spiritual seekers to our group but they never return?

5) Is it really a compromise to change traditional methodology to keep people interested in the Group so that you can continue to pour the Word of God into them?

6) Are people in the Church today more concerned with having their needs met or are they interested in meeting the needs of others? Could that be considered as the real "compromise" of the Great Commission? What do you think about this in this group?
