### Dating – It's Not Our Mission Field

Jane Stolz' video teaching, handout, and audio Mp3 file of this message will be online to share with others at [www.christiansinglesindenver.com](http://www.christiansinglesindenver.com)

*So you want to win souls for the Kingdom? That is a wonderful desire which is pleasing to God...unless! Unless, your missionary endeavors are solely focused on some unsaved man/woman who you are interested in.*

#### Rationalizations:

- *Then why did God allow this person to come into my life if he didn't want me to minister to him/her?*
- *Well, there aren't any saved men/women around.*
- *The men/women in the world seem to be much more interesting and attractive than the men/women in the church.*
- *I've tried and I don't meet anyone in the church.*

**Don't try to B \_\_\_\_\_ your disobedience on God.**

God has a myriad of saved men/women. But you only need *one*, and he/she will be released to find you, or recognize you, in the fullness of God's time.

Satan is cute too. The Bible says he comes disguised as an angel of light (2 Corinthians 11:14). The enemy is an expert at making himself and his servants look attractive.

'Charm is deceitful and beauty is vain, but a man/woman who fears the Lord, shall be praised' (Proverbs 31:30).

**Don't H \_\_\_\_\_ Up with an Unsaved Man/Woman**

Don't fool yourself. You will have a hard time living a godly life with an unsaved man/woman.

**Major in the Beauty of H \_\_\_\_\_.**

They can cover you and love you like no other because they are manifesting the love of God that the world will never comprehend.

**Why date someone you are not looking at to marry?**

---

**Make the decision in prayer with others**

**When God is R \_\_\_\_\_ to bring that person into your life, H\_\_\_\_\_ will.**

**Open your E\_\_\_\_\_ to God's best. Ask H \_\_\_\_\_ to allow you to see what He sees.**

#### Discussion Questions:

- 1) **What causes you to consider settling for less than God's best?**
- 2) How do men or women in the world react to your standards of living?
- 3) **What areas of your life can be affected by a non-believing companion?**
- 4) What are your weak areas that are susceptible when in the company of non-believers?
- 5) **What traits are you looking for in a date/mate?**
- 6) Are all of these traits found in non-believers? Which ones are present? Which ones are missing? Which are most important?
- 7) **What are your thoughts about dating someone you have no intentions on furthering the relationship?**
- 8) Have you been on the receiving end of one of these relationships? How did it end?
- 9) **Can you see the value in observing someone prior to just "dating" them to get to know them better? Would you see value in that before pursuing them? Why or Why not?**
- 10) Do you currently have someone praying for your future spouse? Do you see some value in this? Do you want someone to pray for you?

*Something to think about this week: Write a statement of recommitment to trust God to deliver His best for you.*
